INSTITUTE OF PUBLIC SAFETY

To Whom It May Concern:

Lieutenant Eddie McConnell has been employed with the Institute of Public Safety since January of 2009. Since that time, he has had outstanding reviews from all students as well as staff. I would rate Lieutenant McConnell as one of our best instructors at the Criminal Justice Academy. He is highly regarded for his knowledge in the field and always very professional. When in the classroom he projects self-confidence, authority and most importantly, enthusiasm. He is quite skilled at in capturing the interests and involvement of his audiences. He also responds effectively to the most difficult questions and opposing views of the students. He is always well prepared and sees the "big picture" of the academy.

Lieutenant McConnell has always remained positive in difficult times and in many instances ignites enthusiasm within the staff here. Because of all this, Lieutenant McConnell is a valuable asset to our team. I wholeheartedly recommend Eddie for any position he pursues.
